Waitlist Reminder: If you try to register for a class and it’s full, you will be provided an opportunity to sign up for the waitlist on RAMweb. If a spot opens up, notification will be sent to the 1st student on the list. That student will have 24 hours to register.

If no action is taken, the student is dropped from the waitlist and the 2nd student is notified. You will need to check your email at least once a day to make sure you don’t miss your 24 hour window. You can also sign up on RAMweb (under the “Records” link) to receive an automatic text message notification.

To learn how to waitlist please visit: https://registrar.colostate.edu/registration/registration-waitlist-faqs/

Almost There...

Wow! The trees have lost their leaves, we’ve had the first snow fall of the season, and you are about to complete another semester of college. For some of you, the end of the semester brings graduation, your final few weeks at CSU. For others, it’s only the beginning of your journey as a CSU Ram. Nearly all of you are trying to figure out what to do next. No matter where you find yourself right now, we have some great tips and insight for you in this month’s newsletter.

Important Dates

December 13: University Withdrawal deadline
December 16: Final examinations begin
December 20 & 21: Fall 2019 graduation
December 24: Grades available on RamWeb

Final examination schedule:

December CNS Graduation Information

Time and Date: Saturday, December 21st; Ceremony begins at 4:30 p.m.
Place: Moby Arena, CSU Campus
Check-in: In the Intramural Gym of the Moby Arena starting at 3:00 p.m. At check-in, you will pick up your name card, which you will give to the announcer who will read your name, major, and honors as you receive your diploma cover. Because of the large number of graduates that must be accommodated, this can be a time-consuming process. We ask that you please be prompt.
Line up: you must be checked in and lined up under the department sign for your major no later than 4:00 p.m.
Please visit the College of Natural Science website for more information on caps/gowns:

### Want to Improve Your Academic Success?

All PSY majors are required to complete CO 150 and MATH 117/118/124 before 30 credits!

Research has demonstrated that students who complete their math and composition (CO 150) requirements by the end of their first year at CSU have a higher success rate in their other courses and also have a greater chance of graduating in 4 years. Improve your overall rate of success, and avoid registration holds, by completing your requirements as soon as possible.

### FOR MORE INFORMATION ABOUT MATH AND COMPOSITION READ BELOW

#### Need help completing MATH:

If you need to take/retake the Math Placement Exam so you can register for math next semester, the exam is given on a "drop-in" basis at the PACE Testing Center (Weber 138) through Dec. 13th.

**STUDY BEFORE TAKING THE MATH PLACEMENT EXAM:**
